AUTOLINER CHAUFFEUR DRIVE design and operate customised limousines for transportation of passengers in luxury and style to business, corporate, leisure and sports events throughout the UK.

The Autoliner service has undergone extensive trials in the Midlands servicing customers as far south as London and up to the North of England and Scotland. The business is now operational in Cumbria with launch of a licensed operation in Liverpool scheduled for the latter part of 2005.

We have a wide range of business clients located throughout the UK such as Deloitte, Apollo 2000, David Mclean, Liverpool FC, Barclays Finance, Gateway to London, Business Link, Hospitality Direct, Downtown Liverpool, Worcester County Cricket Club, BDO Stoy Hayward, Heaton's, Eversheds, together with a multitude of service sector businesses such as hotel groups and event organisers.

Events covered over the last 12 months include Wimbledon, British Open Golf, RBS Six Nations, FA premiership matches, Reebok FA Charity Dinner, Ladies Day at Chester Racecourse, and various concerts at the MEN Arena. The firm also offer a UK collection service transporting couples from all parts of the country to get married at Gretna Green.

We offer an exclusive travel solution for a progressive market that combines understated style and functionality with a visual presence to grace the most prestigious occasion.

The Autoliner is a high specification vehicle which is the result of extensive market research. It has been designed for group travel offering a conference-style environment for travelling executives with refined luxury for the corporate and leisure markets.

Moreover, travelling by Autoliner provides a memorable experience particularly for night scene journeys where up to eight passengers can enjoy on-board refreshments and totally relax in the soft atmospheric lighting with superb audio visual entertainment system.

Our tariffs are based on product utilisation and individual customer requirements and besides travel we can also offer an additional events and ticket service. Tariffs are available for random hire by the hour, half / full day and evening hire. More expensive than a taxi but less than the cost of a stretch limousine - we offer exclusive travel at affordable prices and for short journeys charges start from as little as £30.

Travelling with Autoliner provides a unique experience, that will change your perception of how we travel, presenting a new lifestyle option for our customers. It's new, it's cool - it's how you get there!

Our goal is to develop Autoliner Chauffeur Drive as an exclusive travel brand providing a distinctive travel experience servicing the corporate and leisure markets. Our philosophy is simple: we aim to provide an unrivalled service that will surpass the expectation of our customers.
